WELCOME TO STAGE 2 2021

Dear Parents & Guardians,

Stage 2 is a very busy time with a lot of expectations and work for us to complete. To assist with a smooth transition into Year 3 and Year 4, we ask that all children have the necessary daily equipment and work ready for action at the beginning of each day. As teachers, we know and appreciate that you like to get organised, so we have prepared a generic list of equipment that will be required in all Stage 2 classes in 2021. While teachers will have a few specific things they will require next year in addition to these items, all Stage 2 students will need the following items:
